

"EM BUSCADA Pilha Perdida"

PAIDA AMÉLIA

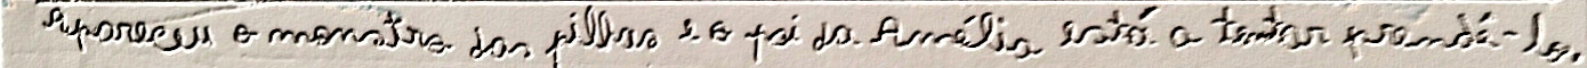

AMÉLIA

O MONSTRO

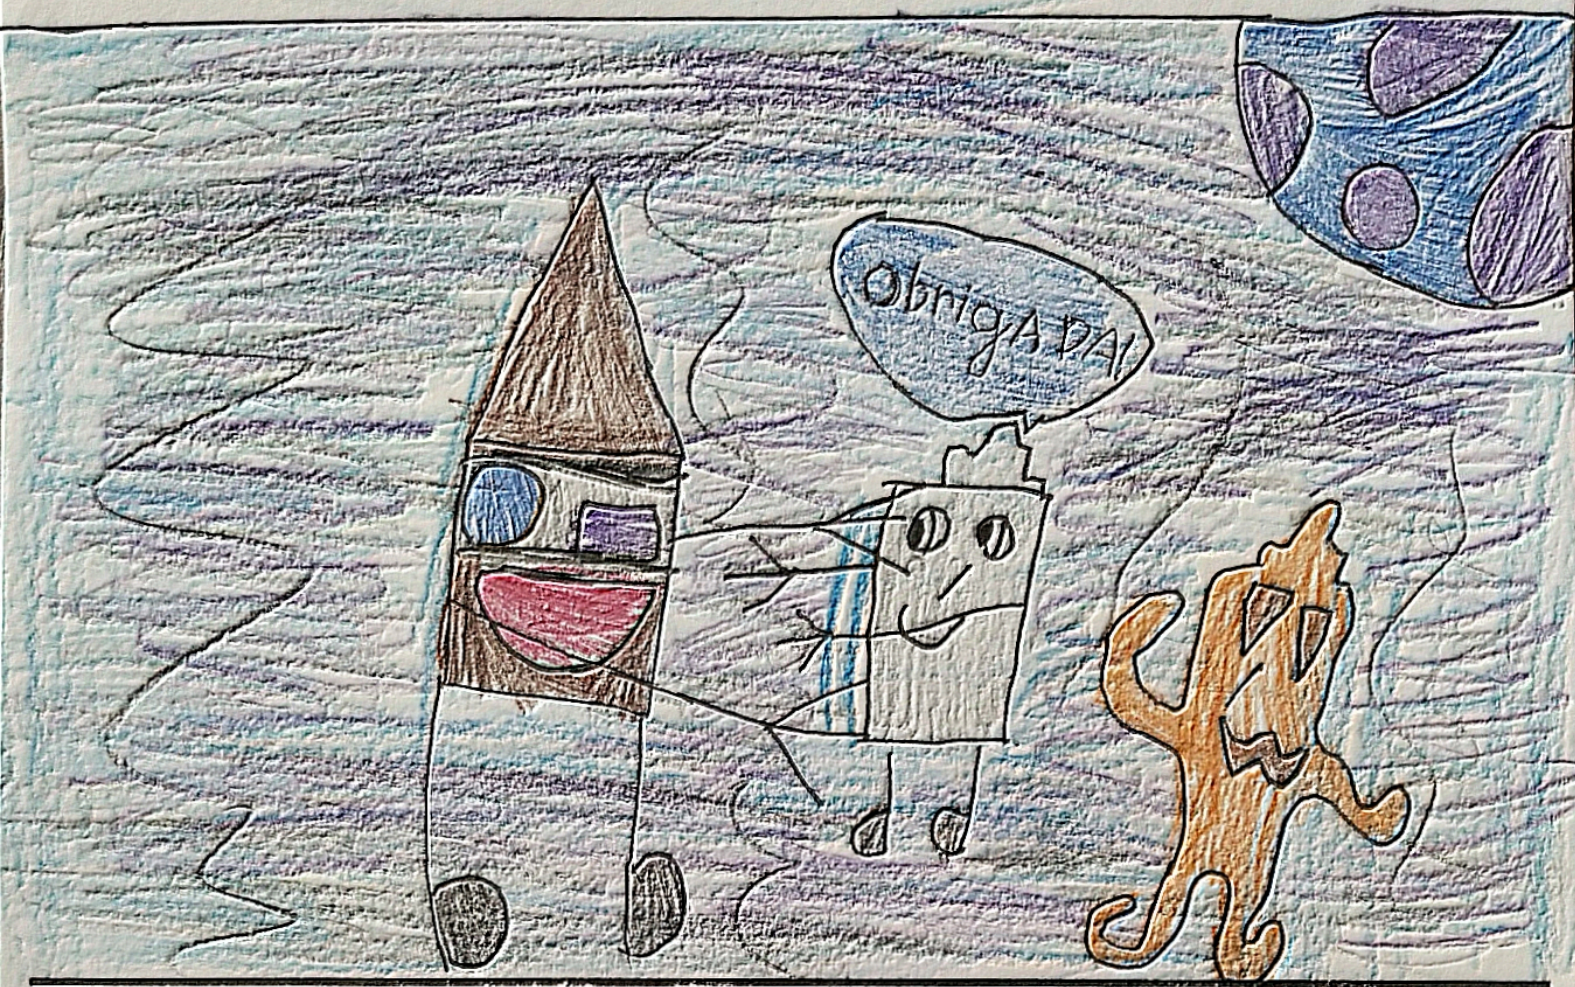

A EMÍLIA

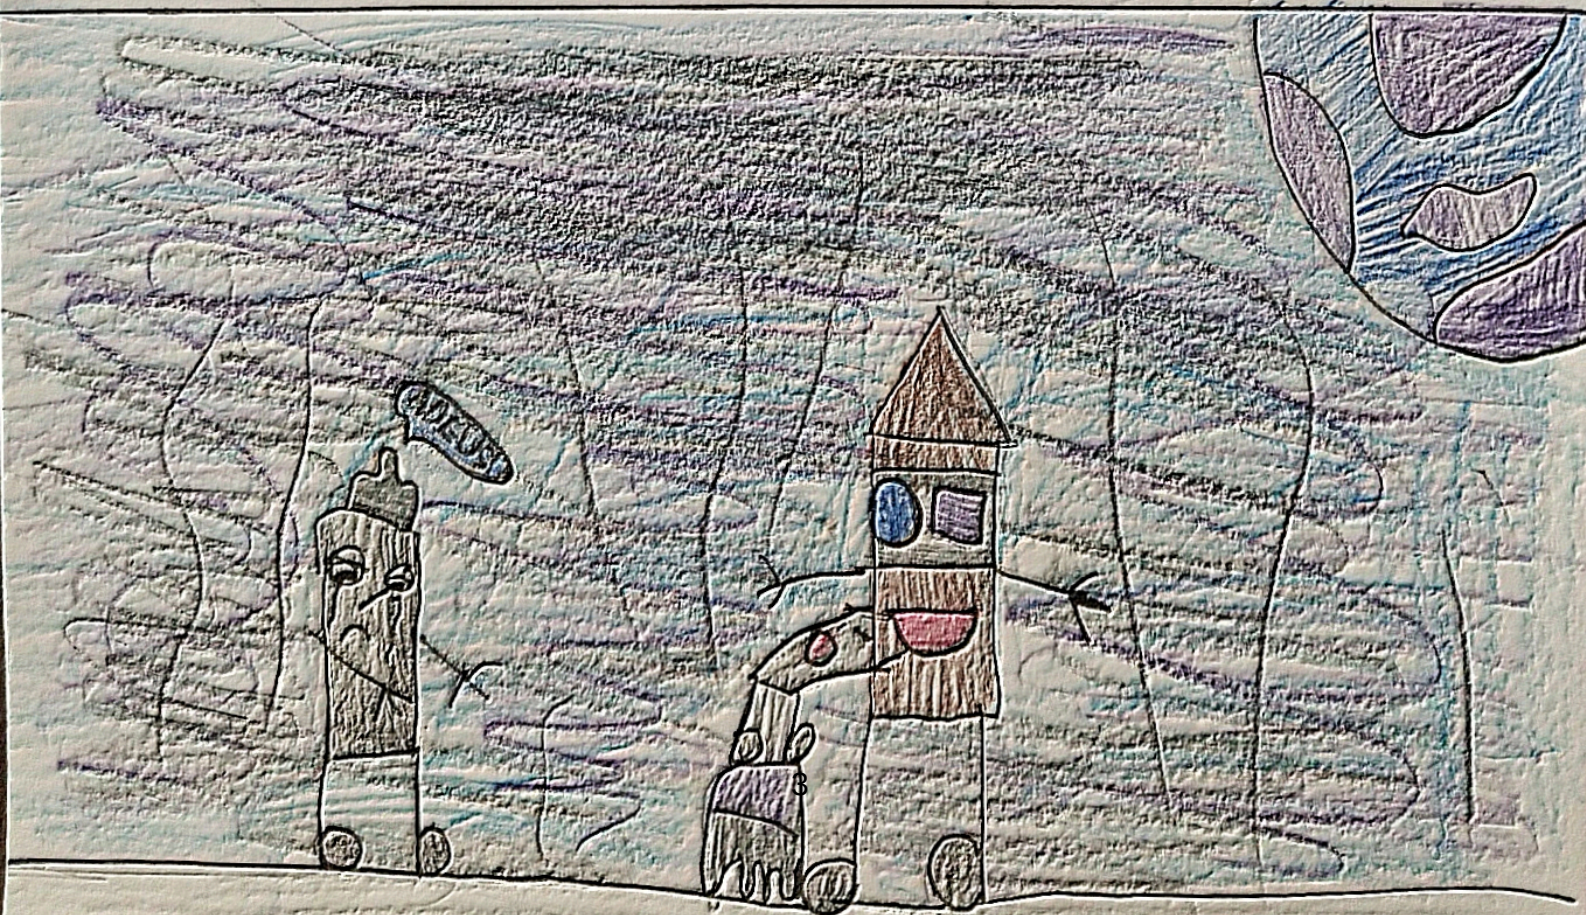

A colorful drawing of a landscape. In the foreground, there are several stylized houses or buildings. One house on the left has a face and is holding a small object. Another house in the center has a speech bubble that says "I STAY WITH O CANNON". To the right, there are two more houses, one of which is orange and has a face. The background features a large, smiling sun in the upper right corner and a blue sky with some clouds. The overall style is simple and childlike, with bold outlines and a limited color palette.

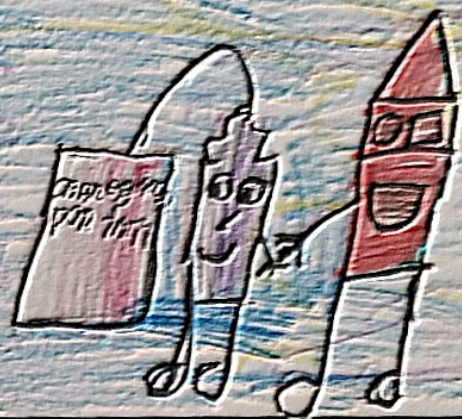

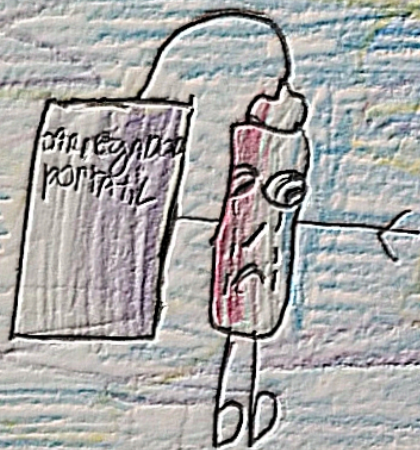

O pai da Amélia consegue vencer a batalha.

Depois de muito tempo a Emília perdeu o medo e foi para o trabalho.

A Emília voltou, já com o carregador portátil para junto da Amélia.

Tudo passou a ter cor e a Amélia e a Emília foram para casa muito felizes.
